

# Benton Franklin Recovery Coalition Oxford Houses, Tri-Cities

## **To the Benton and Franklin Counties Community:**

The Benton Franklin Recovery Coalition, together with Oxford Houses, TriCities, is holding its annual fund-raiser to support the work of advocacy for more local addiction treatment and detoxification facilities, education about the disease of addiction, and provision of sober recovery housing in our area.

**The fundraising event is a 5K Race for Recovery on September 17, 2022, at Wade Park in Pasco. All ability levels including walkers are welcome.**

We are asking for community support for these important missions.

**There are two ways to provide support: -[Register to Run or Walk in the Race](#)  
and/or  
-[Become a Sponsor \(donor\)](#)**

Fliers for both support options are attached.

Please join us in supporting our important work!

Thank you
